“I would like to begin our Nevada Department of Native American Affairs (DNAA) meeting by acknowledging that we gather today from the ancestral homelands of the Waší-šiw, who have lived in the Great Basin since time began. Please join me in expressing our deepest respect and gratitude to all five of our major Indigenous groups; the Mojave, the Northern Paiute, the Shoshone, the Southern Paiute, and the Washoe--not just the original caretakers of the land we now call Nevada--but for their enduring stewardship and protection of our shared lands and waterways. Today, the DNAA reaffirms its commitment to improve the quality of life for our 28 Tribal Nations, Bands, Colonies, and the 62,000-plus Urban Indians who choose to make Nevada their current home.”
